

YOUTH FORUM 2017

WHAT'S YOUTH FORUM:

The Youth Forum will be an opportunity for all of the students to voice their opinion. They can each pick one of the questions (or both of them, time permitting) that they would like to address in Committee, before the actual Committee business gets under way. It is intended as an **ice breaker** for them to get to know one another, as well as a chance for them to express their **personal feelings** about a topic, as opposed to only the opinion of the country they are representing.

TOPICS OF YF 2017:

The question of existence. How do we define it? What factors contribute to our awareness of it? How does it affect the quality of our lives?

#1: "I exist because I have faith."

- MARTIN LUTHER, 16th century theologian, founder of the Protestant faith

#2: "Imagine a world without religion..."

- JOHN LENNON, famous singer and songwriter of the Beatles

Reflect on whether the world would be a better place if the religions would not exist.

PRACTICAL INFO:

The Youth Forum takes place the first night of PRAMUN in the hosting school, *Gymnázium Jana Nerudy*. Delegates get to know each other and their chair in their committee rooms through ice breakers and an informal debate on topics listed below.

Youth Forum lasts for about 90 minutes. Dress code is informal.
